

QUANTS

Who We Are

QUANTS : Who we are

Our company, QUANTS, is specialised in quantitative research for market finance.

Our Values

Our speciality: expertise.

Quantitative research (QR) and quantitative analysis (QA) both require a very high level of expertise.

Thoroughness, attention to details and mastering of the financial environment are the company's mottos.

Our Commitment

Our first objective is to assist our clients in their research and development needs.

Our Clients

Our clients are, for the most part, asset management companies (Asset Manager, Hedge Fund) and corporate and investment banks.
